STATEMENT OF SUBSTANCE OF EXAMINER INTERVIEW

Dear Sir:

Applicants' representatives submit this statement of the substance of the personal interview held December 5, 2007, among Examiner Leah H. Schlientz and Applicants' representatives Scott A. M. Chambers and Lacy L. Kolo. Applicants' representatives requested the interview to discuss the Office Actions issued in the present application as well as related application no. 10/492,129. Applicants thank Examiner Schlientz for the substantive discussion of the applications.

Applicants' representatives addressed the rejections under 35 USC § 112, first paragraph and the Examiner's assertion that the claims failed to meet the written description requirement. Applicants' representatives agreed that objectionable language will be clarified or removed from

the claims. Applicants' representatives will also amend the claims to obviate the double patenting issues.

Applicants representatives also addressed the Ishibashi reference used to reject the claims under 35 U.S.C. § 102. Applicants representatives noted the instant claims are to a release without a latency period when the pH changes from pH 1.4 to pH 6.8, which contrasts the disclosure of the Ishibashi reference. The Examiner agreed to reconsider the rejection when the response to the Office Action is filed.

CONCLUSION

Applicants believe no fee is due with this submission. If a fee is due, however, please charge our Deposit Account No. 50-2228, under Order No. 022290.0116C1US from which the undersigned is authorized to draw.

Dated: January 28, 2008

Respectfully submitted,
